RE-VITA[®]

Wellness Provider Program
for Licensed Healthcare Professionals

Introducing the RE-VITA® Wellness Provider Program.

Your patients deserve a healthy boost...

...and so does your business!

The Re-Vita Wellness Provider Program is offered exclusively to qualified healthcare professionals. Wellness Providers** may purchase below wholesale pricing, then retail Re-Vita products from their office for immediate profit.

The Re-Vita Wellness Provider Program is perfect for Doctors, Chiropractors, Herbalists, Natural Osteopaths and other

licensed healthcare professionals. Offer your patients a boost in nutrition, and boost your profits!

Making a Difference

RE-VITA® Wellness Providers can take pride in the knowledge their contributions to wellness reach far beyond their office doors.

For every serving of LiquaHealth® they sell, Re-Vita gives an equal serving to feed a hungry child.

With the help of Wellness Providers like you, our global philanthropy has donated over 40 million servings through our One-for-One program.

Join our team of healthcare professionals and improve the health of children world-wide.
